

Retirement Announcement:

Somervell County Water District General Manager, Kevin Taylor, notified the SCWD Board of Directors at the District's February 9th, 2026 regular meeting that he intends to retire from the District within the next 6 months; giving the District the opportunity to begin a search for a new General Manager. Mr. Taylor was the District's first full time employee hired and has been with the District for 24 years. He has been a great asset to the Water District and his absence will be felt by all District staff and board members. We all wish Kevin the very best in his retirement adventures.
